05/14/24

Dear Business Owner,

The City of Monticello, Mayor’s Advisory Council for the ADA will be hosting a Bowling & Corn Hole Fundraiser on **June 15’ 2024**. The **“Team Up For the ADA”** is to raise funds to continue to host activities and fun areas, keeping persons with special needs in mind. **These funds will help to support matches for Grants, which help to make the city have better accessibility for all the public, as well as special activities and events.** The hope is to raise money to purchase 3 adult changing tables, 1 for the new observation building at Altheer park and 2 for the city pool restrooms. Additional money will provide more Geo Grid for the parks to make more walking paths accessible to wheelchairs and walkers.

We will be hosting this event with the help of **BEST BOWLING CENTER**. Lunch will be included. **Today I am asking if we can count on you to be an event sponsor and/or have a team or individuals in our event. We have several sponsorship levels for you to choose.**

We also need raffle items as well as Grand Prize items, to raffle during event.

EVENT SPONSORS |

Large sign Sponsor \$100_____

Medium Sign Sponsor \$50_____

Small Sign Sponsor \$25_____

In-Kind donation (Raffle, Grand prize) list what **DONATING**_____

General donation (cash)\$_____
