September 16, 2024

The Monticello Street Department announces beginning September 18, 2024 that Central Paving will begin our Community Crossings 2023-2 street milling and resurfacing project. This project will be mainly in the area south of Fisher Street, north of Foster Street and west of Sixth Street, east of Main Street. There will be lane restrictions and short-term road closures are possible. Please look for signage and traffic flaggers as this project progresses. This project is scheduled to be completed by October 1, 2024
